The Sharon Cardinal

1952

Dedication

As a means of thanking our sponsor, Mrs. Margaret Johnston, for four years of hard work and unselfish devotion we wish to dedicate the "Cardinal" of 1952 to her.

We are extremely grateful for her encouragement and enthusiasm at the times when our zeal was gone. She has helped to make our work enjoyable, and we trust that this volume will be a reminder of her years at Sharon High.

SHARON HIGH SCHOOL

On the pages of this book is written the story of one of the happiest years of our lives. The Cardinal Staff of 1952 invites you to join us in reliving these experiences. As you delve through the pages, may your enjoyment equal ours.

JOYCE BASINGER

Although Joyce's main interest is in the army, she also likes riding in the rain, and cooking. She cares little for dishwashing. While in high school she has been a member of the band, and glee club, newspaper staff and editor of "The Cardinal". The diamond on her left hand foretells marriage in her future.

JOANNE FOWLER

Joanne's favorite pastime is talking. Her interests outside of class include music and army privates. Active in all school activities, she has been a member of the PepClub, and band for four years, school plays and glee club. Her only complaint is Shorthand. She says her ambition is to get out of school and start an old Maids home.

GENE GRABS

Gene, sometimes called "Genius", likes A's, fast cars, and pretty girls. His dislikes follow the same idea-F's, slow cars, and ugly girls. As president of the class the last three years, he has served well. You can't help liking Gene. His ambition is to become a man someday.

JOSEPHINE HRENCHER

Josephine is famous for her ability in snapping gum. Life would have been dull during our high school days if it hadn't been for "Phinie's" jokes and laughter. The Pep Club girls will never forget the fun she was on the bus. Activities claiming her attention were band, glee club, dramatics, and social studies. She was crowned basketball queen during her senior year. Her future plans are very indefinite.

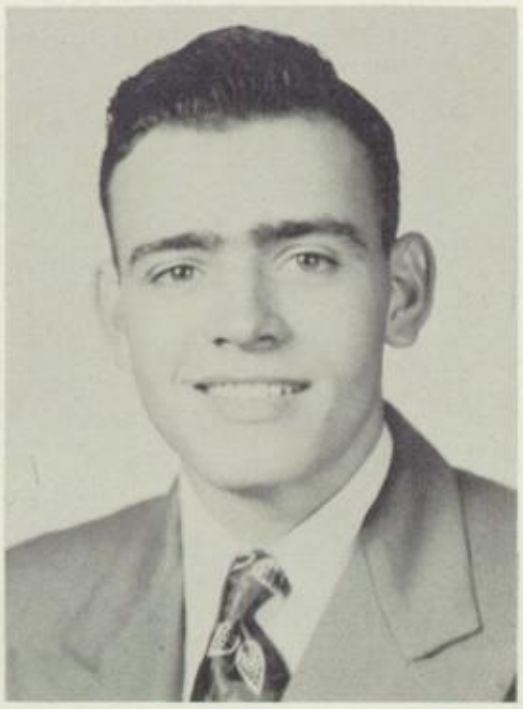
CHARLES INSLEE



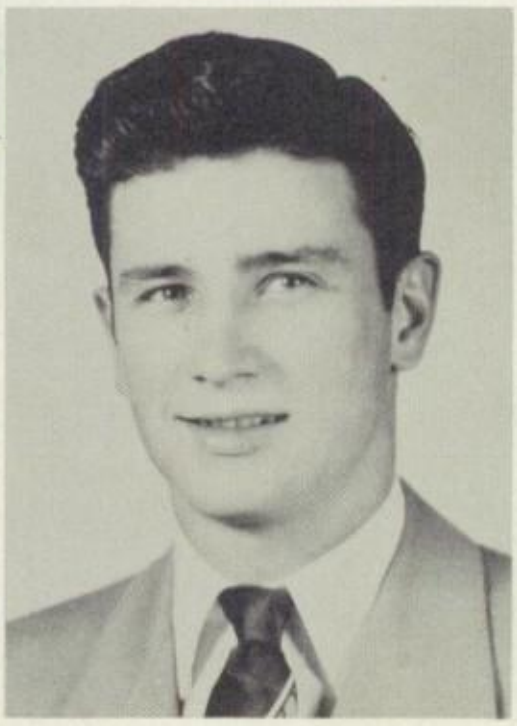
Charles Inslee is known for his good looks, love for sports, and dislike of strong perfume. He has been active in athletics all through his high school career. Being a person always willing to help, he has participated in Glee Club and class plays. He is a lot of fun to have around. His future is undecided.

JOE MENG

Joe is small but mighty. Although handicapped by size he has been one of the dependable players in baseball and basketball. He likes pin ball machines, sports, and well built women. He is a genial guy who always makes a good time. In the future he hopes to be a farmer.

JOHN LAUDICK

John has been called many names but no one nickname has been permanent. His likes seem to be good whiskey and pretty girls. He dislikes work and pretty girls boy friends. John is active in the music department where he plays in the band, sings, and plays clarinet solos. His ambition is to become a music teacher.



CHARLES RINKE

"Rink" became a member of our class last year when he transferred to Sharon from Hazelton. He likes plenty of time, late hours, and cheerleaders. His only dislike is a Chevrolet. His artistic talent will be remembered by all. His greatest desire is to make lots of money being an architect.

VIRGINIA ROBINSON

Quiet, industrious, and dependable is Virginia. She likes walking in the rain and unlike most, she likes to study. She says she dislikes work. Her dream is to go to College and study Home Economics and Math. Her school activities have been band, glee club, yearbook and paper staff, and class plays.

CHARLES ROWE

Charles "Hedgeball" Rowe is fond of eating and Fords. Acting as captain on the basketball team climaxs 4 years of active participation in this sport. His one gripe is against too much lipstick. Like the others in his class, he was active in music and class plays. This past year he served as sports editor for the "Whirlwind". He hopes to become a rancher someday.

JIM SIMON

Jim likes comic books, eating, and sports. He dislikes deputy marshals and conceited girls. His music interest centers around the song "Old Shep". Jim is hard working and always willing to try. His determination in sports has brought many thrilling moments to the Cardinal fans. His ambition is to own a big convertible.

ORVILLA SLATER

Orvilla has many pastimes including sleeping late and hunting gopher tracks. Her only unhappy moments are in Constitution Class. During her high school days she has been in band, glee club, dramatics, and detention. Sometime after graduation her plans include marriage. She has also served as editor of the "Whirlwind".

ANNUAL STAFF

We are honored to try to bind together dear memories for you and give them to you with our best wishes in this "Cardinal." With the leadership of Joyce Basinger, editor, we are striving to capture in these pages the smiles and the tears, the hard work and the rewards, symbols that will, now and in years to come, call to memory all the events of this year.

PAPER STAFF

Early September brought thoughts of starting on the school paper. We are busily collecting news, editing and printing the copies, a forecast of our activities yet to come. Under the direction of Orvilla Slater, editor, we cover the basketball games, class parties, class plays, and an endless number of other student activities.

Mixed Chorus

All during the school year the Mixed Chorus favored the students in study hall with music during their practice sessions. Sometimes it was rather off key but with the able supervision of Ronald Moyer improved quite notably for the programs we presented during the year. These programs were:

The Cardinal Music Revue
Christmas Program
Music Festivals

Band

Attired in red and grey uniforms the Sharon band entertained the community on several occasions. Drum Majorette, Jo Ann Ricke, led our marching band at the Hutchinson Fair. Our music was enjoyed at the Cardinal Music Revue, the Christmas program, Music Festival, and other public appearances. Mr. Ronald Moyer is our director.

Twenty seven members from both grade and high school compose the membership of the Sharon Valley 4-H Club. Not all the students pictured above are members of the Sharon Club but are members of one of the neighboring groups.

Each year members have won many honors at the County and State. This year De Launa and Anita Keith made the trip to the American Royal at Kansas City.

The club has worked hard to achieve their goals. Projects for the club are to paint mailboxes of the Sharon community and erect a sign welcoming people to our town.

Every morning our cheerful looking bus drivers, Bob Mitchel, John Hunter, Charles Burns, and Norval White, greeted us as we climbed aboard our buses.

On The Outside

Day in and day out during the past year, our cooks, Mrs. Winifred Robinson, Mrs. Maude Smith, and Mrs. Grace Hall, prepared delicious meals for us at the kitchen.

On The Inside

The faithful and well-known janitors in our school are Buck Swonger, and his two sons, Jack and Bucky. Many laboring hours of enduring work have been spent by them cleaning blackboards, scrubbing up foot tracks, and shoveling coal. These workers spent their time well within our walls during 1950-51.

This yell can be heard at any game where the Cardinals are performing on the maples. The twenty-seven members of the Sharon Pep Club have been faithful followers and supporters of the red and white. Never will be forgotten the sore throats, happy times when we won, sad times when we lost, singing on the bus, the trip to Argonia, and Norval White driving for us.

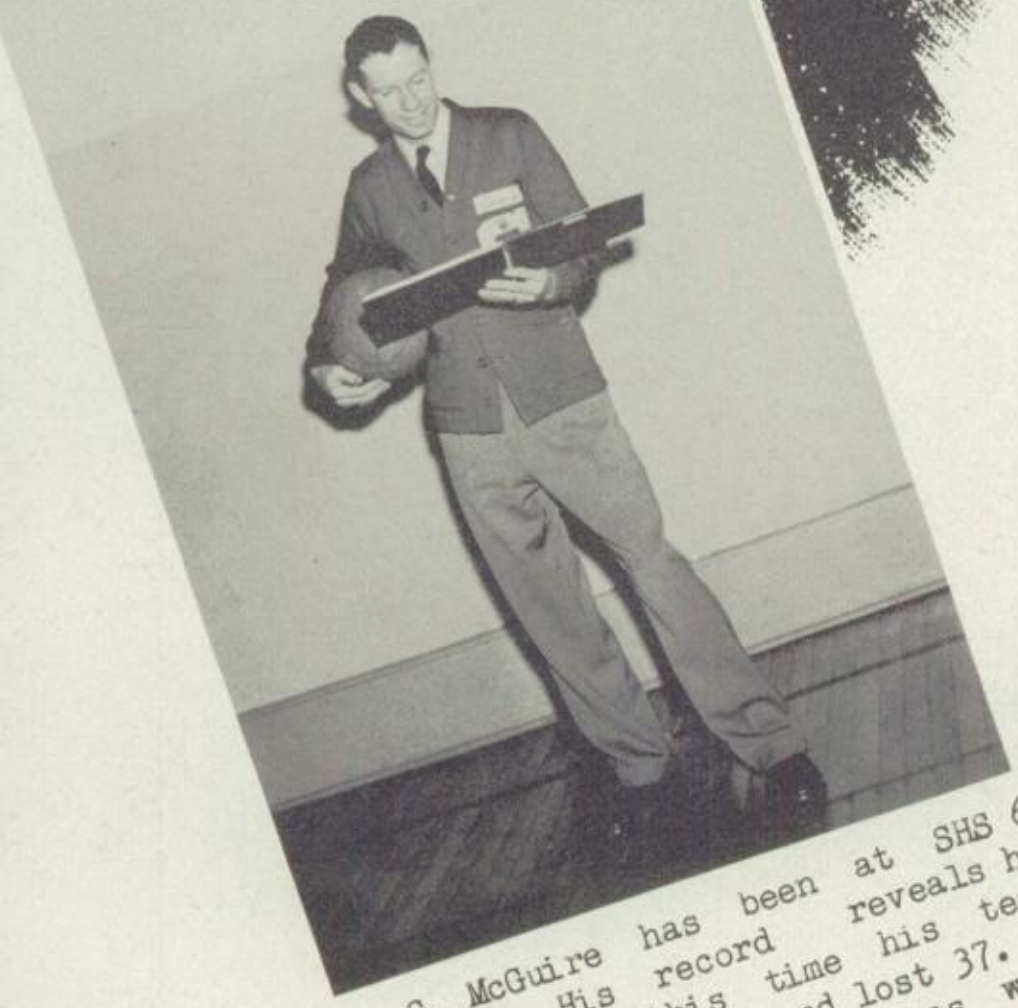
Basketball

Although getting off to a slow start, the Sharon Cardinals have finished the season with power. With a league record of 4 won - 4 lost we finished behind Hazelton and Isabel. As the yearbook goes to press, we are expecting to win over Hazelton for the district championship. We will be depending on Simon, Rowe, Inslee, Harbison, Owen, Basinger, and Laudick to carry us on to victory in the regional tournament.



P. G. McGuire has been at SHS 6½ years. His record reveals his success. In this time his teams have won 136 games and lost 37. In the past 7 years Sharon has won 4 district and 1 regional championships, and second place in state. We are proud of Coach McGuire.

Junior High

The Sharon Tiger Cats have had a successful season. As the yearbook goes to press they have a 6 won - 1 lost league record. This gives them 2nd place and a chance for the league championship. In tournaments they won 2nd at Sun City and 3rd at Bluff City. Congratulations to the Junior High and Coach McGuire.
